Criterion	Ratings / Performance Levels	Points
HTML to PHP, Setting and About (Linked to a Learning Outcome) All pages from Project 1 converted to modular PHP with template elements. Project 1 comments incorporated. Setting page defines DB connection variables (host, user, password, database) used for MySQL connection. About page has updated member contributions/timetable.	Outstanding (HD): 8 to >6.4 pts - Surpassed all requirements, delivering exceptional quality, creativity, and attention to detail. Showed great initiative and innovation. Good (D): 6.4 to >5.6 pts - Meets requirements with good quality, but includes 1 to 3 minor issues. Satisfactory (C): 5.6 to >4.8 pts - Meets basic requirements but has >3 minor problems or 1 to 3 major issues. Needs Major Improvement (P): 4.8 to >4.0 pts - Meets minimum requirements but has 4 to 6 major problems. Fail (F): 4 to >0 pts - Does not meet expectations or quality is very low.	8 pts
MySQL - EOI table (Linked to a Learning Outcome) eoi table includes: EOInumber (auto-ID), Job Reference number, First name, Last name, Address (Street, Suburb/town, State, Postcode), Email, Phone, Skills, Other skills (text). Each record has a Status field (New, Current, Final), initially 'New'.	Outstanding (HD): 10 to >8.0 pts - Surpassed all requirements, delivering exceptional quality, creativity, and attention to detail. Showed great initiative and innovation. Good (D): 8 to >7.0 pts - Meets requirements with good quality, but includes 1 to 3 minor issues. Satisfactory (C): 7 to >6.0 pts - Meets basic requirements but has >3 minor problems or 1 to 3 major issues. Needs Major Improvement (P): 6 to >5.0 pts - Meets minimum requirements but has 4 to 6 major problems. Fail (F): 5 to >0 pts - Does not meet expectations or quality is very low.	10 pts
Process EOI page (Linked to a Learning Outcome) process_eoi.php created. Uses a form based on the project description table to create records in the EOI MySQL table. Implements validation correctly as per assignment description. Page cannot be accessed directly.	Outstanding (HD): 12 to >9.6 pts - Surpassed all requirements, delivering exceptional quality, creativity, and attention to detail. Showed great initiative and innovation. Good (D): 9.6 to >8.4 pts - Meets requirements with good quality, but includes 1 to 3 minor issues. Satisfactory (C): 8.4 to >7.2 pts - Meets basic requirements but has >3 minor problems or 1 to 3 major issues. Needs Major Improvement (P): 7.2 to >6.0 pts - Meets minimum requirements but has 4 to 6 major problems. Fail (F): 6 to >0 pts - Does not meet expectations or quality is very low.	12 pts
Manage Page (Linked to a Learning Outcome) manage.php created. Allows a manager to query the eoi table and display results for: List all EOIs; List EOIs by job reference; List EOIs by applicant name (first, last, or both); Delete all EOIs by job reference; Change EOI Status.	Outstanding (HD): 12 to >9.6 pts - Surpassed all requirements, delivering exceptional quality, creativity, and attention to detail. Showed great initiative and innovation. Good (D): 9.6 to >8.4 pts - Meets requirements with good quality, but includes 1 to 3 minor issues. Satisfactory (C): 8.4 to >7.2 pts - Meets basic requirements but has >3 minor problems or 1 to 3 major issues. Needs Major Improvement (P): 7.2 to >6.0 pts - Meets minimum requirements but has 4 to 6 major problems. Fail (F): 6 to >0 pts - Does not meet expectations or quality is very low.	12 pts
Job Page (Linked to a Learning Outcome) All job descriptions on the page are loaded dynamically from different fields of a MySQL table.	Outstanding (HD): 10 to >8.0 pts - Surpassed all requirements, delivering exceptional quality, creativity, and attention to detail. Showed great initiative and innovation. Good (D): 8 to >7.0 pts - Meets requirements with good quality, but includes 1 to 3 minor issues. Satisfactory (C): 7 to >6.0 pts - Meets basic requirements but has >3 minor problems or 1 to 3 major issues. Needs Major Improvement (P): 6 to >5.0 pts - Meets minimum requirements but has 4 to 6 major problems. Fail (F): 5 to >0 pts - Does not meet expectations or quality is very low.	10 pts
Enhancement (Linked to a Learning Outcome)	Outstanding (HD): 8 to >6.4 pts - Excellent enhancement enhancing content/presentation/functionality; technically advanced. Good (D): 6.4 to >5.6 pts - Very good enhancement enhancing content/presentation/functionality. Satisfactory (C): 5.6 to >4.8 pts - Implemented some enhancements and/or they don't meet some requirements. Needs Major Improvement (P): 4.8 to >4.0 pts - Limited work and/or doesn't meet some requirements. Fail (F): 4 to >0 pts - No or very limited work.	8 pts
Presentation (Linked to a Learning Outcome)	Outstanding (HD): 5 to >4.0 pts - Surpassed all requirements, exceptional quality, creativity, attention to detail. Great initiative and innovation. Good (D): 4 to >3.5 pts - Meets requirements with good quality, but includes 1 to 3 minor issues. Satisfactory (C): 3.5 to >3.0 pts - Has >3 minor problems or 1 to 3 major issues. Needs Major Improvement (P): 3 to >2.5 pts - Meets minimum requirements but has 4 to 6 major problems. Fail (F): 2.5 to >0 pts - No or very limited work.	5 pts

Submission Quality and Requirements (Linked to a Learning Outcome) Website folder structure and deployment match project description. Correct naming conventions used. Good code quality. Mercury link provided in comments.	Outstanding (HD): 5 to >4.0 pts - Followed submission structure accurately without any problems. Good (D): 4 to >3.5 pts - Includes 1 to 3 minor issues. Satisfactory (C): 3.5 to >3.0 pts - Has >3 minor problems or 1 to 3 major issues. Needs Major Improvement (P): 3 to >2.5 pts - Meets minimum requirements but has 4 to 6 major problems. Fail (F): 2.5 to >0 pts - No or very limited work.	5 pts
Late Submission Penalty (Linked to a Learning Outcome)	Penalty: 10% per day (7 marks per day) None: Submitted by/before deadline	0 pts
Other Deductions (Linked to a Learning Outcome)	Deduction: Comments from Project 1 not addressed, and significant usability issues (-20 points). None: No such issues.	0 pts
